I certify as a rostered coach, manager, or team official that I have read and understand the following documents and policies as they pertain to the tournament. For reference, the full policy of each item can be located in the 'Documents' section of the tournament website:

Tournament Rules:

• Failure to abide by tournament rules; including but not limited to parking policies, player eligibility of your approved tournament roster, personal and team conduct, and forfeits may result in the loss of your team's performance bond, removal from the tournament, and/or eligibility for future tournaments.

Scorekeeping:

• I understand that a team official must sign the game card after each match verifying the score and any cards received by their players (i.e. yellow cards, red cards, ejections, etc.). Once the game card is signed, I understand it will be considered accurate, final, and will not be changed. Failure to sign the game card before leaving the field will result in the score and disciplinary actions being considered final.

• Update as of August 1, 2020 – Until further notice, a team official will verbally verify the score and disciplinary actions of the game card with a tournament official after each game. Failure to verbally verify the game card before leaving the field will result in the score and disciplinary actions being considered final.

Medical Release Waiver(s):

• I certify that a team official is in possession of a current medical release form for each rostered player (including guest players) that is signed by the player's parent and/or guardian.

Cancellation Insurance Coverage

COVID-19 Policies and Procedures:

• I certify that a team official has submitted and included the following form during the team check-in process: **'WAIVER/RELEASE FOR COMMUNICABLE DISEASES INCLUDING COVID-19'**

• I understand that all players (including guest players), coaches, and team officials listed on the approved roster must complete the waiver otherwise the team will not be permitted to participate in the tournament.

• I understand that as a team official, I am responsible for mandating the compliance of all players (including guest players), coaches, other team officials, parents, and spectators associated with my team to follow any and all necessary COVID-19 policies and protocols required by the tournament. I understand these regulations are being enforced to protect the safety of all tournament participants, staff, and spectators. Failure to comply with these policies and protocols may result in the loss of your team's performance bond, removal from the tournament, and/or eligibility for future tournaments.
