Commonly Asked Questions

How do I add a guest player?

Step 1: OBTAIN the guest player's card and medical release form.

Step 2: ADD the guest player by handwriting full name, unique jersey number, player identification number, and date of birth to the bottom of the existing approved roster.

Step 3: SCAN and COMBINE into a PDF document (online only).

Can I have different player passes from different organizations?

Mixed rosters will **NOT** be allowed – NO exceptions. US Club teams may only take a guest player registered under US Club Soccer. USYSA teams may only take guest players registered with properly stamped USYSA player pass cards.

How do I add a guest player after I submitted my online registration?

Contact Shane via email at sflynn@elitetournaments.com to add guest players online. If the online check-in deadline has passed, a team manager or coach must attend on-site check-in to add a guest player to their team's roster. You will need to upload an updated roster with the guest player's information on it (jersey #, name, birth date, player ID #) and upload their player card (either separately or with the rest). Please let Shane know when this has been completed.

Permission to travel forms are NOT required for teams in Region 1, which includes the following states:
