### **4.3. Heading Rules for U11 and Younger**

Whenever the ball strikes a player in the head, play is stopped. The proper restart depends upon whether the player deliberately played the ball with his or her head. If deliberate, the proper restart is an indirect free kick to the opposing team. If this occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the point nearest to where the infringement occurred. If the play by the head is deemed inadvertent, then the proper restart is a dropped ball.

4.4.3. Once the opposing team is behind the build out line, the goalkeeper can pass, throw or roll the ball into

4.4.4. play (punting is not allowed). After the ball is put into play by the goalkeeper, the opposing team can cross the build out line and play resumes as normal.
